**(8) 1 pc snuffer**

## Lighting Instructions

- 1. Moisten white fiberglass in tin cup with bio ethanol fireplace fuel (not included) making sure you don't pour over the Max line on the tin cup.**
- 2. Lighten with a lighter or match. Long reach lighter is recommended**
- 3. Whenever you want to turn the fire off use the snuffer included to press on the fiberglass until extinguished.**
- 4. You can reuse the fire pit a few times without having to refuel.**
- 5. Approximate burning time when filled to the Max line with liquid ethanol is 2-2.5 hours.**
